

# INVITATION

Dear Sir/Madam,

With great pleasure, we sincerely invite you to attend an exclusive event, ***China Medical City Delhi Networking Reception Dinner***, to be held in The Leela Palace New Delhi Hotel at 19:00-21:00 on the 4th of May, 2015. This event is supported by Chinese Embassy in India and Consulate General of the Republic of India in Shanghai, organized by Taizhou Municipal Government and Taizhou Medical Hi-tech Zone.

This is a unique activity to bring together people who are involved in pharmaceutical, IT and Equipment manufacturing industry. We believe presentations and networking dinner will be a good platform to have exchanges and make investment opportunities.

Please kindly RSVP to [cmc\\_vip@126.com](mailto:cmc_vip@126.com) by April 28, 2015.

We look forward to meeting you at the summit!

Sincerely,

Taizhou Medical Hi-tech Zone

# CHINA MEDICAL CITY

The First-ever National Level  
Medical Hi-tech Zone in China

## China Medical City

### The Hottest Spot for Human Healthcare

China Medical City, CMC (also known as Taizhou Medical Hi-tech Zone) is located in Taizhou City, Jiangsu Province. As an increasingly important part of the Yangtze River delta, CMC encompasses about 30 km<sup>2</sup>, integrating functional zones in R&D, pharmaceutical and medical devices manufacturing, exhibition & trade, healthcare service, advanced education, and other supportive functions and facilities. Sanctioned and sponsored by the National Health and Family Planning Commission, China Food and Drug Administration (CFDA), Ministry of Science and Technology, State Administration of Traditional Chinese Medicine and Jiangsu Provincial Government, CMC is regarded as the unique national level hi-tech development zone focusing exclusively on biomedical field.

China Medical City was conceptualized in February 2005, envisaged by the Jiangsu Provincial Government. The project began in November, 2006. Under the guiding principle of *Internationalization, Specialization and Modernization*, CMC strives to innovate a unique development model that integrates all the necessary components in pharmaceutical R&D, manufacturing and commercialization and healthcare services, creating a platform to attract world class talents, technologies and companies to come to CMC to grow into a world class medical cluster. CMC is poised to be the ideal place for domestic and international pharmaceutical companies and diagnostic medical device companies. It is becoming an important player in the global pharmaceutical industry by attracting global companies that are expanding their business in China and Chinese companies that are seeking to be international players.

To date, CMC has formed partnerships with more than 50 leading pharmaceutical R&D institutions and universities domestically and overseas. In addition, more than 500 companies, including AZ, Takeda, Nestlé, Boehringer Ingelheim, Sanofi Pasteur and Chugai, and 500 medical innovative technologies have registered in CMC.

CMC is a dream place for investors, entrepreneurs, and seasoned business people seeking growth and development.

China Medical City focuses on developing and commercializing innovative technologies in the medical field, aims to be *No. 1 in China, Well-known in the world* setting high standards, pursuing high growth, and reaching high goals. By 2016, CMC targets to attract over 1000 top talents, over 100 acclaimed innovation teams, over 1000 companies and garner over 100 Billion RMB(\$16 B) in total revenues. CMC shall be a world-class medical cluster in medical industry, a dream place for investors, entrepreneurs, and seasoned business people seeking growth and development.
