

## 21 CFR part 11 compliance software

To  
The Director / CEO  
**The Quality Control / Production Manager**

Dear Sir / Madam,

Sub: 21 CFR PART-11 compliant software for pharmaceuticals and laboratories:

We take this opportunity to introduce ourselves as an authentic and reliable manufacturer of all types of measurements and control process parameters such as temperature, humidity, gas and factory automation systems for the last 13 years. We are presently holding ISO 9001:2000 Certification.

We also supply DATA LOGGERS, DATA SCANNERS, INDICATORS, and CONTROLLERS etc. to many plants in India

We have successfully developed the SMARTLOG 2000 21 CFR PART-11 compliant software. This is widely useful in following applications.

### Pharmaceutical And Medical Technologies MAIN FEATURES:

- Temperature Data Logger For Cold Room, Cabinets
  - Stability Chambers, Ovens, Furnace, Freezers
  - Sterilizers, Humidity Chambers
  - Temperature Mapping, Continuous Recording
  - Autoclaves Logger
  - Refrigerators, Tissue Banks, Incubators
  - ETO Sterilizer
  - Blood Blanks Logger
- Electronic Signature
  - Electronic Recording
  - Multiple User Level
  - Closed System
  - Digital Signature
  - Report Accessible for Excel...ETC
  - Multi Instruments Application
  - Easy and Secured Supervision Software

We look forward to your valuable enquiry.  
Thanking you,

Yours sincerely,  
TUSHAR VORA / LATHA. A  
( 09324254646) / (09869672899)
