

The UK Generics Market

UNITED KINGDOM.....	98
Market Introduction.....	98
Overview of the Pharmaceutical Market.....	105
Challenges Facing the UK Pharmaceutical Industry.....	105
Demographic and Health Statistics	106
The National Healthcare System.....	107
Distribution Models	110
Pharmacy Models	110
UK Market for Off-Patent Molecules.....	114
Market Overview.....	114
Industry Structure	115
Key Players	116
Market Dynamics	117
Therapeutic Classes	120
Leading Products	121
Consumption of Leading Generics	121
Analysis of the UK Generic Industry.....	121
Market Analysis on the basis of Therapeutic Category.....	122
Generic Market Overview.....	126
Market Engineering Measurement Analysis	130
Market Drivers	130
Market Restraints	131
Table of Contents	
Revenue Forecasts	132
Prescribing Trends and Generic Prescribing.....	134
Generic Substitution	135
Generic Pricing.....	136
Generic Regulations	137
Market and Technology Trends – R&D and Innovation	138
Key Total Market Indicators	139
UK Market for Molecules Under Patent.....	142
